Subject: BDCP Purpose and Need Statement

Kaylee -

We talked about this on the phone a while ago.

Below is the draft purpose and need statement for the BDCP project, as submitted by DWR to the Corps regulatory office. The Corps sent it to us in our 404 capacity.

I looked on the BDCP website and reread the federal NOIs, and I don't think this language is in there.

Has DOI bought off on this as your draft purpose and need statement? Has the Steering Committee signed off on this language?
